>> Hi Judith,

>> Thank you for your interest and availability to speak with us tonight. We can do the interview at our studio at 30 Rock tonight at 7:15pm. If you could arrive at 7pm that would be perfect. Please enter the building at either 49 W. 49th or 50 W. 50th entrance and proceed to the visitor's center to pick up your badge. My colleague Emily Berk will then be there to guide you to the studio. Her cell is 646-469-5379.

Would anyone from the EPA be available for an on-camera interview today to discuss this further?
